Today we gather in love to honor and celebrate the life of Roosevelt (Rosie) Livingston. Also known to many as “3 Cent”. He was born in Tampa, FL on July 15, 1964 to Mr. William Livingston and the Late Mary Lee Livingston.

He received his education at Miami Carol City Sr. High, Miami, Florida and worked at Holiday Inn Hotel and Joe Robbie Stadium for many years. He later relocated to South Carolina where he worked faithfully at Family Folks Restaurant and Total Equine. Rosie had many talents. He was a skilled barber and a talented artist but, his main hobby was fishing. Rosie loved many things, especially music. He was “our” rapper. Rosie loved animals, loved the children and was always the life of the party and when he wasn’t, you would barely notice he was in the room. Rosie would always be remembered by his remarkable smile and his favorite saying “Ye-Yah”!

He was preceded in death by his loving mother, Mary Lee Livingston and his loving sister Janet McRae. He leaves behind his father William Livingston of Summerton, SC; two beautiful children, Laron Tristen Livingston and Jacquill Ashley Livingston; three grandchildren, Lakyrh Livingston, Lariyah Livingston and Jamuri Moss of Miami, FL; three sisters, Sandra Dennison, Wanda Livingston both of Miami, FL and Claudia “Renee” Livingston of Summerton, SC; four brothers, William (Paulette) Livingston Jr. Johnnie Lee (Beverly) Livingston, Gary Livingston and Michael Livingston all of Summerton, SC; two aunts, Louise Walters of Summerton, SC, and Ruth Melton of Queens Village, New York; a host of nieces, nephews, cousins and friends.

The family wishes to acknowledge Rosie’s extended family, Dawn “Donna” Graham and Billy Rombilus for all they have done over the years. You cared for him like family and he loved you like family.

Rosie has departed this life on earth to join many of our loved ones who has gone on before him.
May their memory last forever in our hearts.
